

- I. disfiguring, littering and desecrating of public and private property
 - II. indiscriminate use causing alarm to residents, physical harm to members of the public and the threat of physical harm to law enforcement officers
 - III. threat to domestic animals and wildlife ingesting plastic and foam being endangered thereby
 - IV. creation of unnecessary refuse and release of potentially environmentally hazardous substance or substances into the atmosphere.
- (b) Definitions: The following products are subject to this Bylaw:
- (1) “Silly String”-an aerosol can from which string shaped like, foam like material may be sprayed;
 - (2) “Bomb Bag”, Instant Smoke -a plastic bag or tube-like containers holding material which when exposed to air produces a quality of smoke-like emission; and
 - (3) “Other Products” sold in an aerosol can for amusement and knowingly used as a flammable objectionable product.
- (c) Prohibition of use, possession or sale: No person, firm or corporation shall use, possess, offer for sale or sell products commonly known as Silly String, Instant Smoke or Bomb Bag or other products sold in an aerosol can for amusement and knowingly used as flammable objectionable products within the Town of Millbury during the following time periods and at the following places:
- Such prohibition shall apply on days of operation of carnivals, block parties and festivals requiring a permit from the appropriate Town agency and on days of public parades, at or upon parks, public buildings, public streets, public and/or private sidewalks, access ways and parking lots within Fifty (50) feet thereof
- (d) Exemption:
1. This ordinance shall not apply to prohibited products in transit or storage in interstate commerce.
 2. This ordinance shall not apply to flammable products sold in aerosol cans, which are to be used for their intended purpose.
- (e) Enforcement: The Chief of Police or the Chief’s designee shall have primary responsibility for enforcement of this ordinance. The Chief of Police is authorized to take any and all actions reasonable and necessary to enforce this ordinance, including but not limited to, inspecting any vendors or premises to verify compliance.
