

TOWN OF MILLBURY, MASSACHUSETTS

SINGLE AUDIT REPORTS

PURSUANT TO

OMB CIRCULAR A-133

JUNE 30, 2013

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Town's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY OMB CIRCULAR A-133

To the Honorable Board of Selectmen
Town of Millbury, Massachusetts

Report on Compliance for Each Major Federal Program

We have audited the Town of Millbury, Massachusetts' compliance with the types of compliance requirements described in the *OMB Circular A-133 Compliance Supplement* that could have a direct and material effect on each of the Town of Millbury, Massachusetts' major federal programs for the year ended June 30, 2013. The Town of Millbury, Massachusetts' major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of the Town of Millbury, Massachusetts' major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Town of Millbury, Massachusetts' compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of the Town of Millbury, Massachusetts' compliance.

Opinion on Each Major Federal Program

In our opinion, the Town of Millbury, Massachusetts complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2013.

Report on Internal Control Over Compliance

Management of the Town of Millbury, Massachusetts is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the Town of Millbury, Massachusetts' internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with OMB Circular A-133, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Town of Millbury, Massachusetts' internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant efficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing internal control over compliance and the results of our testing based on the requirements of OMB Circular A-133. Accordingly, this report is not suitable for any other purpose.

Report on Schedule of Expenditures of Federal Awards Required by OMB Circular A-133

We have audited the financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the Town of Millbury, Massachusetts, as of and for the year ended June 30, 2013, and the related notes to the financial statements, which collectively comprise the Town of Millbury, Massachusetts's basic financial statements. We have issued our report thereon dated October 29, 2013 which contained an unmodified opinions on those financial statements. Our audit was conducted for the purpose of forming our opinions on the financial statements that collectively comprise the basic financial statements.

The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by OMB Circular A-133, and is not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America.

In our opinion, the schedule of expenditures of federal awards is fairly stated in all material respects in relation to the basic financial statements as a whole.

C. Summary of Significant Accounting Policies

Accounting policies and financial reporting practices permitted for municipalities in Massachusetts are prescribed by the Uniform Municipal Accounting System (UMAS) promulgated by the Commonwealth of Massachusetts Department of Revenue. The significant accounting principles followed by the Town are as follows:

Basis of Presentation –The accompanying Schedule of Expenditures of Federal Awards includes the federal grant transactions of the Town, although some of these programs may be supplemented with state and other revenue, only federal activity is shown. The receipts, proceeds from federal grants, and disbursements are recorded on the modified accrual basis whereby revenue is recognized when it becomes available and measurable, and expenditures are recognized when the liability is incurred. The activities of these programs are reflected in the basic financial statements in the Special Revenue Funds.

D. Non-Cash Commodities

The Town receives non-cash commodities from the U.S. Department of Agriculture as a part of the School Lunch program. In fiscal year 2013, \$52,529 was received; however, this amount is not included in the financial statements.

E. Teacher Pension On-Behalf Payments

With regards to specific education grants awarded to the Town, the Massachusetts Department of Elementary and Secondary Education and Department of Early Education and Care withhold from the total grant awards 7.2% and 9.0% of the amounts shown on applicable wage budget lines. The Commonwealth utilizes those funds as direct payments to the Massachusetts Teachers Retirement Board made on-behalf of the Town. The amount of these payments from federal grants in fiscal year 2013 was \$12,235.
