REGIONAL ENGINEERING SERVICES
REQUEST FOR PROPOSALS (RFP)

The Boards of Health for the Towns of Blackstone, Douglas, Millbury, Northbridge, Oxford, Sutton and Uxbridge are seeking proposals for environmental engineering services. Bachelor's degree in civil or environmental engineering and registration as a Professional Engineer or Registered Sanitarian in the Commonwealth of Massachusetts is required. Duties include witnessing soils testing, plan reviews, inspecting septic system installations, and other environmental engineering related activities.

RFP Packets are available by calling the Northbridge Board of Health at (508) 234-3272 or by email at jgniadek@northbridgemass.org . Deadline for submission of proposals is February 20, 2019 at 4:00 PM.
