*All events are schedule to change. Ideas of activities or education programs are needed, please let us know of your ideas by our Facebook page or email.

*Due to the low attendance during our regular Friday nights in the first half of 2019, we are only holding the above events unless request meets 25 children or more. Please go to our Facebook page, like it and comment with child name and grade to be a regular on a Friday night. These nights are free and a great way to meet new friends, play air hockey, dodge ball or listen to music
