Meeting Minutes;

The minutes were read and accepted as written for the December 9 meeting. Motion was made by Jim and second by Kent.
All voted unanimously.

We were going to discuss Dan's project about compiling a list of important information for the Millbury residents.
Unfortunately, he did not attend this meeting to give us any updates, so we will have to table this issue.

There were no new issues brought up at this meeting.
The issues from the past were the CVS problem that has been taken care of for the moment.
The Subways handicap issues about the building will have to be taken care of by Paul Stringham, our Town Inspector. He will have to speak with the owner of Subways to correct all the handicap issues in the building.
The last issue is that Mike and Paul do a walk through Town Hall to update all the improvements, handicap or other. There were no other past issues.

A motion was made to adjourn the meeting by Kent and second by Jim.
Meeting was adjourned.

Next meeting will be held on April 14, 2022.

Respectfully submitted,
