RESOURCE PROJECT;

Dan has finished compiling all the information for the resource booklet.
He presented each member of the commission with a packet of all this information.
He also made copies for the Town Manager and the Town Clerk.
We will then present this information to them and ask if they can read it through, make additions or corrections and report back to us in an upcoming meeting
When this is complete, we are asking if this information can be printed in a booklet and then put all this information on our Disability WEB site.

MILLBURY SELF-EVALUATION TRANSITION PLAN:

Millbury was awarded the contract for Millbury Self-Evaluation Transition Plan, funded by MOD.

Effective January 1, 2023 with a due date of June 30.

As of now, all municipal buildings have been surveyed, including schools. The outdoor school facilities will be surveyed in the better weather along with the local playgrounds.

Seeing that our meeting is televised, Mike was asking the public if anyone in the town would be interested in joining our commission. We have two vacancies and would like other citizen input at our meetings.

Debbi brought up the subject that in the Town meeting booklet the Disability commission is not listed. She wanted to know what we have to do so the Millbury citizens know that our commissions is out there for their benefit.

Mike replied that this was up to him to make a list of our accomplishments and present this list to our Town Clerk.

He will work on it.

ANNOUNCEMENTS:

Mike made an announcement that there will be a MOD CAM training on May 3 and 4 at 10 to 3. The two days must be attended to receive a certificate through ZOOM. Anyone who wants to attend, it is highly recommended.

A motion was made to adjourn the meeting by Dan and second by Jim.
Meeting was adjourned.

Next meeting will be held on April 13, 2023.

Respectfully submitted,

Debbi Dymek, Secretary
