Pledge of Allegiance

Minutes of previous meeting read. Motion made by Rich, seconded by Brian to accept minutes of previous meeting. Unanimous.

Each of 8 applicants for OPM were rated by 3 committee members. The 3 members who rated the company discussed their rating. Each rating was totaled and averaged. After the last applicant was rated, the top 3 were announced and agreed upon. Some discussion was made about notifying 4 applicants but it was ultimately decided that 3 was adequate with 4th being chosen if we couldn't reach an agreement for a contract.

The 3 companies chosen were CHA, PMA and Vertex. References will be checked by the firemen on the committee as they are the best qualified to understand what is required for a quality station.

Paul recommended that the licenses be checked for project personnel also.

Next meeting set for Sept 8<sup>th</sup> at 5:30pm to discuss interview questions. Also interviews to be done on Sept 22<sup>nd</sup> if all applicants can attend.

Motion to adjourn at 6:45pm made by Steve

Seconded by Bruce.
