Pledge of Allegiance

- Discussion took place on the police building sketch. Several changes to the plan were put together to submit for Context. Motion made by K. Woods and seconded by K. Cadrin to accept the proposed plan along with the discussed changes: Unanimous.
- Chief Desorcy brought up an invoice for payment (invoice number 0004, the 4th invoice in the project), for \$5,000. Motion by D. Rudge and seconded by K. Cadrin to pay invoice: Unanimous.
- Chief Desorcy asked the committee for feedback on when to push the plan out to the public and when to request funding for it. After discussion it was determined we need to get our request known. We need square footage of the buildings and cost estimates to inform the public. The Selectmen are looking for our committee to attend one of their meetings and give an update. Chief Desorcy will follow up with scheduling the presentation and discuss with the Town Clerk the timing for moving the project forward.
