MILLBURY PLANNING BOARD

Reference: 61 Miles Street – Special Permit Modification
Owner: Mark Smith

Laurie,

Due to the unanticipated delays in finding site contractors to complete the approved work at 61 Miles Street because of the Covid-19 Pandemic, the owner/applicant is requesting to have an extension to the approved permits for an additional (18) eighteen months. Mark Smith along with several of his employees had to be in quarantine conditions due to their exposure to the virus. If you have any questions relative to this request for an extension, please contact this office.

Respectfully submitted,

Robert G Murphy, Project Manager
