Hi Stephanie,

My name is Tracey Winner and I live in the Rice Rd Neighborhood. I am interested in this project due to the location and the impacts it will have on our neighborhood and general environment. I am planning on attending the Zoom meeting this Monday, but I wanted to forward my list so you had it in writing. Please feel free to email or call if you have any questions or would like any clarification on my points. I have never really put anything like this together, so please bare with me :)

Thank you!
