**Subject:** Rice Pond Village -- Plan of Offsite Improvements revised 12-3-2021  
**Attachments:** Rice Pond Village Plan of Offsite Improvements -- Sheet 1 of 2 -- 12-3-2021.pdf; Rice Pond Village Plan of Offsite Improvements -- Sheet 2 of 2 -- 12-3-2021.pdf

Laurie:

Attached are two PDF's. They are sheets 1 and 2 of 2 of the Plan of Offsite Improvements now with a revision date of 12/3/2021. This Plan was revised pursuant to the site walk and the input from you, Board members and Mr. Caruso.

We faded the existing contours and pavement lines back to gray to make the proposed changes clearer. We revised the proposed traveled way location especially between #'s 1 and 2 Rice Road and we added an inset at double the scale to show grading changes at the intersection with South Main Street and at the couple lots nearest to that intersection.

The proposed traveled way of Rice Road will be at least 22 feet for all of its length and will widen to 26 feet as it approaches the intersection with South Main Street.

If you have any questions, please contact me. Thank you to you, your Board members and Mr. Caruso for all of your input.

James
